

The Calgary Foundation Philanthropist Gives \$1 Million to Canada's Hockey Hall of Fame

Calgary, AB – The Calgary Foundation is pleased to announce the Hockey Hall of Fame in Toronto is the recipient of \$1 million in funds from the inaugural granting cycle of the Daryl K. Seaman Canadian Hockey Fund.

The Hockey Hall of Fame will see \$100,000 distributed annually over the course of ten years in support of the *D.K. Seaman Hockey Resource Centre*; the most comprehensive archive and research facility in the world, dedicated to collecting and preserving artifacts and resource materials related to the history of hockey. In addition to serving thousands of correspondents, media, administrators, teams, players, fans, students, teachers, museums and libraries each year, the state-of-the-art facility plays an integral role in the planning and development of the Hockey Hall of Fame's exhibition, outreach, fundraising and charitable activities.

"The Calgary Foundation's grant will enhance our long term archiving, conservation and exhibition programming," said Philip Pritchard, Vice-President and Curator of the Hockey Hall of Fame. "It will also help sustain our commitment to research and education via the *D.K. (Doc) Seaman Hockey Resource Centre*, named in honour of an outstanding architect and benefactor of grass roots hockey development in Canada."

Established at The Calgary Foundation, the \$10 million Daryl K. Seaman Canadian Hockey Fund provides much needed annual support to amateur ice hockey, registered athletic associations and other general charitable purposes across Canada.

"Doc Seaman was a great man, committed to giving back to his community in the hopes of inspiring new generations of philanthropists and committed citizens" remarked Don Thurston, Chair of the Daryl K. Seaman Canadian Hockey Fund Grants Advisory Committee. "The establishment of Doc's Fund will ensure his passion for hockey and sports leaves a lasting legacy right across the country."

In addition to the Hockey Hall of Fame and Museum, eight other organizations across Canada received \$150,000 in grants to support their work. Further information about the Daryl K.
