

Fogolâr Furlan di Calgary Scholarship in Italian Studies

Fogolâr Furlan di Calgary

The Fogolâr Furlan di Calgary is one of sixteen similar associations in Canada whose founding members originate from the region of Friuli-Venezia Giulia in Italy. One of the mandates of our association is the preservation of our language and, as such, we are pleased to offer this scholarship to students of Italian in Canada. Our founding members emigrated from their homeland because they sought opportunity and advancement in a new country. They worked hard for the interests of their families and the pursuit of a post-secondary education was something sought for their children. Therefore, it is only fitting that the Fogolâr Furlan di Calgary would establish a scholarship endowment that would promote education and financially assist students who wish to study Italian.
